Greetings Families and Students,

Douglas Indian Association in partnership with the Juneau School District is pleased to announce the launching of our new Education E-Portal which will share information on a number of student services offered for Alaska Native and Native American youth who are Preschool to High School students.

We invite you to complete a **“Student Application for Program Services”** in which you can select available options for Students in any grade Preschool to High School.

Over the next month, we will be updating our education portal with new opportunities at:

<http://dialearning.org/>

Some highlights of available services as listed on the application currently include:

- ❖ ***Educational Kits by Grade***
- ❖ ***Summer UAS Coursework ~ in which the grant will pay for High School youth to attend early college classes. Please click on classes to see available options. Our Education staff will follow-up with students about their areas of interest for course offerings.***
- ❖ ***On this tab, we will also be listing summer high school coursework being offered including a PE Course.***
- ❖ ***Tutoring,***
- ❖ ***High School Work Experience,***
- ❖ ***Tuition and Fees for Summer Educational Opportunities,***
- ❖ ***Summer Reading Program,***
- ❖ ***Music Instruction / Guitar, and***
- ❖ ***Outdoor Educational Activities.***

Please check back frequently for updates on all classes and programs supported. We will continue to add opportunities over the summer and will be utilizing the education portal to provide continual updates to students and families as well as accepting applications to learn about your student’s areas of educational interest and to best support your student’s educational goals.

We wish you the best in your educational endeavors.

Sincerely,
DIA Educational Team
